"THE TORCH OF KNOWLEDGE"

The theme of this year's Spartan Annual is "The Torch of Knowledge." With this torch you can light the flame of Wisdom, ignite the spark of Eagerness, touch off the blaze of Glory, and enkindle the glow of Friendship.

It is the hope of the Spartan Annual Staff that each and every student of RHS will make this theme a major theme in his or her future life.

Larry Russell.

DEDICATION

Because of your untiring efforts in helping to make the students of Rosalia High School realize and undertake greater goals, we the students of RHS would like to show our sincere appreciation by dedicating this Spartan Annual to you, Mr. White.

You have unselfishly given your time and effort in helping to bring a dream, our new high school, to reality.

As our superintendent and friend you have been an inspiration to the students of RHS in both academic and athletic endeavors. We can always look to you for guidance, enthusiasm, and encouragement.

Thank you, Mr. White, for being the wonderful person that you are!

FACULTY

You young people of today are facing a period of unrest and indecision which is unique in history. We read of sit-ins, walk outs and demonstrations against this or that. We have had draft cards burned and even our flag desecrated by young people in our nation.

To the Class of 1967, I express my hope that our school has served you well, not only by providing you with the educational background to succeed at college or in a vocation, but by helping you to think clearly and constructively, by providing a link in the chain between our past heritage and the present, and by helping you to realize that the freedoms of our democracy must be balanced by responsible thought and action.

To those returning next year, these same thoughts can make the coming school years a success.

It is my hope that you feel the same pride that I feel in the achievements in leadership, scholarship, and activities. It has made 1966-1967 a school year worth remembering.

Sincerely,
Kenneth F. White

The Class of '67 will go forth into a world fraught with awesome and complex problems. We hope that we have helped to prepare you young people for such a world. If you will accept your role in the solution of today's problems, look upon those problems as responsibilities, and accept those responsibilities as personal challenges, then you will find this to be an exciting and glorious age in which to live. You will find that what seems to be the worst of times can become the best of times.

CLASS of '70

Our Freshman Class started off their first year of High School with the annual burning of the dummy at the Fall Pep Rally which inspired a victory over Colton at our first home football game. Our main money-making project started a new trend at Rosalia High. We were the first to organize a "Slave Day" in Rosalia. We paraded down main street and then were auctioned off for all kinds of work. Our class also contributed greatly to many extra-curricular activities that our school participated in. Our Freshman year was truly one we'll never forget.

The Class of "69" started their second year high school with a mixer after the victorious Tekoa football game. Our next class activity was the mixer after the Freeman basketball game. During this season we purchased a snowcone machine for use by our class at games to raise money. Unfortunately, it was a rather shortlived idea. Our money-making project was a car wash and bake sale, which was a success.

The Junior Class had many activities throughout the year. Our first was a work day in October, which was our money making project this year. It was followed by various mixers and concessions. In March we began preparing for our play which was presented on April 3rd & 4th. And finally the big event of the year, our prom, "A Little Dutch Garden", was held April 15th. We are looking forward to becoming seniors.

Junior Play Cast

On April 4th the Juniors presented their annual class play entitled "Bolts and Nuts". The cast was Dixie Freeze, Kathy Jaeger, Zanna Riley, Ken Mills, Bergen Bothman, Geri Campbell, Tom Solbrack, Debbie Van Dyke, Jackie Galbreath, Cliff Deckard, Sheldon Blank, Dale Reiger, and Bob Law. We were directed by Mrs. Tye. "Bolts and Nuts" was a three act mystery about a widow and her young niece looking for the uncle's money. The money was hidden in the house somewhere. They opened their house as a mental sanatorium and many of the people who were supposed to be patients were only there to look for the money. The boyfriend of the niece was the lucky one to find the money. It was a lot of fun to present and I'm sure everyone enjoyed it.

Senior Play Cast

The Senior 3-Act play was presented to the school and community on February 9th and 11th and was entitled "The Antics of Andrew".

The play was a comedy about a young college boy who owned a large apartment plus a southern cook and a French butler-valet. In order to acquire these, he told his rich New Zealand uncle that he was married and had to support a mother-in-law so that his allowance would be doubled. Everything went fine until his uncle paid him a surprise visit during which time, he had his two best friends dress up as his wife and mother-in-law. This proved to be very amusing to both the cast and the audience.

The Seniors worked hard, under the direction of Mr. Broyles, to produce a highly successful play.

R.H.S. Football Team Takes Third in County

Coaches' Corner

Rosalia ended another fine season with a 6-2-1 record. We started the season with a 5-0 record. At the same time we had the honor of being rated sixth in the state. Then the late season problems started, injuries! So of the remaining games, Rosalia went 1-2-1, losing to LaCrosse and St. John.

I would like to say to the graduating seniors, that you all will be missed in future seasons and I wish you all the best of luck and success.

Coach Spanier

The fall of 1966 found the Rosalia High School football team completing a satisfying and successful football season.

Success came with a group of boys who were willing to work hard to achieve a winning season. A group of boys who learned to function as a team and who, individually, contributed a strong body, an alert mind, and an almost indomitable spirit to the group effort.

Football--1966, at Rosalia, has been both exciting and successful; but more important it has been a builder of men.

Coaches' Message

The basketball season ended rather abruptly for us, but overall we had a good season. This was the first time in seven seasons that we were able to defeat every team we encountered at least once. It was a pleasure to coach a team that was so well balanced and who played such exciting defense. The league was especially tough, but we displayed some fine basketball in posting a 9-5 win-loss league record. I know that we learned from our experience at the county tournament and will be able to profit from it in the years to come.

NATIONAL HONOR SOCIETY

We had 12 members in our chapter this year- 7 seniors and 5 juniors. Our year was very active. We decided to discontinue our scholarship fund and put our money into another worthwhile cause, the adoption of a Viet Nam war child. We spent most of our time discussing possible money making projects to benefit our club and school. We painted the bell stand and purchased a rope to ring our victory bell when victory was ours. For the first time in three years we sponsored a dance, and it was very successful.

We are all proud of our NHS chapter and the work it has done this year.

PEP CLUB

The Pep Club supported the team by attending and yelling at all the games and by making signs. We sold concessions at certain games and presented skits at both the football and basketball banquets. We were honored at the football banquet for our work. This year, we accepted five freshmen, two sophomores, and one junior as new members. The Pep Club is proud to say "we like our team".

We've Got Rhythm -

R.H.S. BAND

Our year's activities began in September when we marched at the Palouse Empire Fair. Later in the fall we participated at the WSU Band Day, then we began preparing for a Pop Concert given in November. Through the winter months we supported our team at all games. In February we held a Band Dance, and in March we gave an exchange concert with St. John. This year we sent five members to Honor Band at Colfax. We again hosted the Music Festival and attended the Lewiston Music Festival where both the band and chorus received 1st ratings. To round out our year of marching, we participated in the Touch-light and Lilac parades in Spokane. We ended our rewarding year by playing for the seniors' graduation.

The FHA started the year with a Coke Hour and initiation of new members. We sold concessions at certain football games, sponsored a bake sale, and sold all-occasion cards. In December we held our annual X-mas Party. Our Sadie Hawkins, "Once Upon a Time", was held in March. We sponsored the Easter Egg Hunt and attended Recognition Day where Zanna ran for a State office. In May we helped with the Barbecue and honored the senior girls at the Senior Brunch. This year we were again chosen as an Honor Chapter.

F.T.A.

Future Teachers of America was organized this year. The officers were as follows: Pres.-Bruce Cannon, Vice Pres.-Ken Mills, Sec'y.-Janet Ashlock, Treasurer-Faye Trull, Historian-Geri Campbell, and Parliamentarian-Sheldon Blank. We had one speaker who talked to us about the functions and purposes of FTA. On March 30 we adopted our constitution.

WHITE SHIRT GANG

The White Shirt Gang again this year helped to support the team. Under the leadership of Mike Pope, they added much spirit to the rooting section at all home games and most away games.

SPARTANS JOURNEY EAST

These members of the Rosalia F. F. A. Chapter represented their Chapter and State at the National F. F. A. Convention in Kansas City. Forrest was the chapter's delegate and entered the Herdsmanship Contest at the convention where he received 2nd place. As State secretary, Chris represented the State at the convention. Darryl won a place on the State judging team and took first place in judging at the convention.

Elaine Dube represented Washington at the 10th Annual International Convention of Student Councils at Williamsburg, Va. in February. She joined 50 state delegates and 36 foreign students for a week of discussions, inspiring speeches, and tours. The keynote speaker for the conference was Walter Cronkite.
